# GOODBYE SUMMER, HELLO FALL!

**New School Year:** Welcome to a new school year!! We have been working hard behind the scenes with staff to educate, train, and motivate them every day. Keep an eye out for weekly lesson plans that are posted outside of each classroom to see what fun activities the teacher have planned. Pay close attention to the **Parent Partnership** at the bottom, these are activities you can do at home to connect to the learning experiences in the classroom. You'll also find this letter and the calendar for the month on that board to help you keep up with center events. A little heads up, annual registration fees might be coming up for some who have been here a year.

**Labor Day:** We will be **CLOSED** on Monday, September 4<sup>th</sup> 2023.

**Badges:** It is imperative that you are holding onto these and making sure that they do not get lost or destroyed. They are \$10 to replace, and the fee must be paid with a check or money order prior to being issued a new one. With less staff, it has become more difficult for a staff member to be able to come down to pick up your child or drop them off to you.

**Director's Vacation:** Miss Shardai will be on Vacation from 9/22/23-10/2/23. Miss Lana (lstitzel@todaycare.com) or Miss Andrea (ajackson@todaycare.com) from Keystone will be helping out in her absence, if you need anything you can reach them by email.

**Hellos and Goodbyes:** As you all know, Miss Mich is no longer at PHEAA. I apologize if the email I, Miss Sam, sent out regarding her departure was unprofessional, I could have worded it better and will do so in the future. Sadly, I will be parting ways with PHEAA as well after Labor Day. It was a pleasure helping care for your kiddos!

**Fundraiser:** Due to Miss Sam leaving, we will be postponing the fundraiser until further notice. Thank you to everyone who participated in the little penny drive.

## Special Days!

September 4th:  
CLOSED
