**Director's Corner:**  
**Hello and Welcome!**

*Yay for May! And hopefully warmer weather! With Spring approaching, please make sure that your child has weather appropriate clothing in their cubbies. We may also have some "play in puddles" days! Your child's teacher will give you a heads up if this is something that they are planning.*

*Just a few reminders, please make sure that your children do not have any foods in their lunchboxes/lunch bags that contain peanuts, this includes peanut butter sandwiches.*

*When signing your children in and out of the center, please note that you can scan any of the QR codes on any of the doors, it does not have to be your child's specific classroom.*

*Lastly please make sure that when inside of the center masks are being worn and worn correctly. It is important that we model this behavior for the children in the hopes that soon we will be able to see each others faces!*

**A Little About Miss Miranda**

*Hello parents! My name is Miranda Mellott (soon to be Miranda Thompson). I have been in childcare for 4 years. Prior to childcare, I worked at the YMCA during summer camp and as a statistics tutor in college. I enjoy reading and taking my dog, Meadow, on walks. I have a Bachelor of Science degree in Psychology with a minor in Spanish. While the Assistant Director position is new to me, I am so ready to learn and grow at PHEAA Early Learning Center. If there is ever something I can do for you, please let me know. I'm easily reachable by email. Please feel free to stop in the office whenever you need to!*

*As always, please feel free to reach out if you have any questions or concerns. Or if you just want to chat, my door is always open!*

Missy,

Center Director

**Upcoming Events**

**May 5** – Happy Birthday
