Director's Corner:
Winter here we come!!

Here comes the chilly weather, are you ready?! I am not!

Badges: *It is imperative that you are holding onto these and making sure that they do not get lost or destroyed. They are \$10 to replace and the fee must be paid with a check or money order prior to being issued a new one. As more children are enrolled, it is going to become more difficult for a staff member to be able to come down to pick up your child or drop them off to you.*

Extra Clothes: *Accidents of all kinds occur on a regular basis, and sometimes that means that changing clothes can be necessary. Please make sure that your child has at least 3 outfits in their cubbies as back up. We have very little back up clothing for emergencies and all the children need to have their own. This includes socks, underwear and shoes. Also please make sure that it is weather appropriate as the temperatures are changing.*

Staffing: *As most of you know, it is a struggle to find good staff in any profession, but we are extremely particular here, which makes it even trickier. Please Welcome Ms. Tirzah to the preschool room and Ms. Jassmyn to the twos room and Ja'Vonnie the center floater. Unfortunately Ms. Katie and Ms. Ashley and Ms. Dimon has moved on from the center. Lastly please welcome MS. Samantha to the center as my Assistant Director. Thank you for your patience as new faces appear.*

As always, please feel free to reach out if you have any questions or concerns, my door is always open!
